

ACUPCC Implementation Liaison Support Committee

[The Implementation Liaison \(IL\) Support Committee](#) provides peer-to-peer support to individuals responsible for implementing the ACUPCC at signatory institutions. Committee participants believe that peer-to-peer conversations will leverage the ACUPCC network's efforts to accelerate the collective learning towards climate disruption solutions.

Criteria for membership

IL Support Committee Members:

- Have demonstrated successful implementation efforts toward fulfilling the ACUPCC, including but not limited to the following areas:
 - GHG Accounting
 - Climate Action Planning
 - Sustainability Action Planning
 - Developing Institutional Capacity
 - Developing Climate and Sustainability Curriculum
 - Transportation Planning
 - Green Building
- Are dedicated to building the ACUPCC network's capacity through the sharing of experience, information, and expertise.

Roles & Responsibilities of IL Support Committee Members

- Develop relationships with individuals responsible for implementing the ACUPCC.
- Committee members agree to meet once a month via conference call.
- Committee members agree to a one-year term of service. At least three initial members agree to serve for two years in order to ensure continuity of committee.
- Provide feedback and suggestions to Second Nature for furthering the ACUPCC network's capacity to transform society to a low-carbon future.

Structure

- The IL Support Committee shall not exceed 20 members.
- An open invitation will be sent once a year to all ILs and appointments shall represent all demographics of the higher education sector (i.e, 2-year, 4-year, Masters, Doctorate, Public, Private); with special attention given to ILs that can support Minority Serving Institutions.
